- General Guidelines
1. Submission of an Expression of Interest does not mean your proposal will be funded.
2. If your Expression of Interest is assessed to be satisfactory you may be invited to submit a full application for funding
3. Investment is limited and the strongest proposals received before the closing date will be funded first.
4. Assessment will be performed by an assessment panel
5. If successful you will be provided with an agreement which will require you to undertake the activities you have applied for.
