YEAR 5 - INTERIM
Expression of Interest 2012/13
Reef Rescue for Grazing in the Burnett
NEW PARTICIPANTS

Reef Rescue is an initiative of the Australian Government's Caring for Our Country program aimed at improving water quality in the Great Barrier Reef Lagoon through assisting farmers and graziers to improve their management practices. Within the grazing industry in the Burnett Mary region, this means providing support to our coastal graziers to improve and enhance their current grazing management. This is the fifth and final year of Reef Rescue Grazing and funding conditions are yet to be finalised.

Please note some of the conditions of funding for Reef Rescue Grazing 2012/13:

~ Applicants must have an ABN

General Guidelines

1. Submission of an Expression of Interest does not mean your proposal will be funded.
2. The funding conditions for this year of Reef Rescue Grazing are yet to be finalised, therefore they may be other conditions not yet mentioned.
3. If your Expression of Interest is assessed to be satisfactory you may be invited to submit a full application for funding
4. The strongest proposals received before the closing date will be funded first.
5. Assessment will be performed by an assessment panel
6. If successful you will be provided with an agreement which will require you to undertake the activities you have applied for.
