

“Communicate for Success Workshop”

Proston 29th and 30th June

Proston Golf Club

“Effective Communication in Business”

Get your life going in the right direction – This workshop will help you to understand how the human mind works and how to get the most out of it. You cannot be effective in your work role unless you are first effective at communicating. The simple things are simple, but not easy, unless you make them into habits for life. Results in your life are a direct result of your relationships with people.

We will cover:

- Methods of communication
- Neuro-Linguistic-Programming (NLP)
- Roles and responsibilities.
- The role of WOTB meetings.
- Motivation
- Visualisation methods
- A model for change
- The importance of beliefs and values.
- Life balance
- Scenario thinking .. And more.

FARM READY

FRTC 0310

Approved to all eligible

Primary Producers

Come on, enrol and learn how a few individuals are making a real difference in your industry !!!!!

The course runs for two days, with part of the common sense tools to help you manage your land. **Minimum 10 people – BE QUICK to book**

CALL Noela or Mick now on 0749 383919

The “Effective Communications in Business” course, is a two day program which will assist participants to get real direction by developing:

- **A clear vision for the future.**
- **Individual purpose statements**
- **Goals and actions for future dreams.**
- **Techniques to improve goal attainment**
- **Mechanisms for working in teams**
- **Understanding of communication (modelling)**
- **An attitude of Gratitude**

Mick, Noela, Lachlan and Mathew Alexander

The process:

- **Small groups and individual exercises.**
- **As a business unit and or team process.**
- **Learn, understand, teach and develop skills.**

The program is Farm Ready Approved. Therefore the cost will be subsidized to approved primary producers and managers. You will need to complete a pre-approval application, which can be accessed from the Farm ready Website (www.farmready.com.au) or by contacting the GBP office.

Presenter:

Mick Alexander (Grazing BestPrac, Rockhampton) – Mick is a highly experienced facilitator and change management trainer, working with farm families, NRM groups and business organisations. He has been involved in the farming and grazing industries for more than 30 years and running a beef cattle enterprise until 2000. In the past 10 years, he has managed the Qld Dung Beetle Project, worked with Taroom Shire Landcare and RCS, developed several grazing management workshops and more recently developed a series of communications and business management courses. In 2004, Mick and his wife Noela established Grazing BestPrac as a way of continuing to source the latest cutting edge scientific information for the grazing community. The CIB Workshop is the most up to date communications workshop being delivered in Australia.

The full course cost is **\$1320** incl GST per person.

BE QUICK to BOOK – FARM READY will subsidise all approved businesses. For more information and to book please call Noela on **0749 383919** or **0438 395255**

Or email- noela@grazingbestprac.com.au or Web www.grazingbestprac.com.au

We will come to you to run a local course, if you can form a group of 10 or more participants. Please also enquire about group discounts and larger business group discounts.
