

Expression of Interest – Natural Disaster Relief and Recovery

EOI Closing Date – Monday 13th February 2012

The Burnett Mary Regional Group for Natural Resource Management (BMRG) currently has funding available to assist land managers whose properties have been impacted by the 2010 – 2011 flood event in the Burnett Mary region.

These funds are specifically targeted at restoration of riparian areas (rivers, creeks, tributaries) that were degraded or eroded by the inundation of water experienced during the flood event.

The kinds of works considered include revegetation, emerging weed control, erosion mitigation and engineering works.

If you are aware of, or manage a site that may be eligible for consideration please complete the following form.
